### Outstanding Alumni Series – The Road to Success

On 12<sup>th</sup> October 2012, we were honoured to have our outstanding alumnus Mr Andy Chan, Deputy Secretary for Transport and Housing (Transport), conduct a talk for our S.4-6 students on his successful experience. Mr. Chan strongly encouraged our students to study hard. He also shared the key to success with our students: being hard working, having a great sense of responsibility and having positive attitude when facing adversity. Our students were greatly motivated and benefited by Mr. Chan's inspiring sharing.
