

InnoTech Expo 2022

(21 December 2022)

S1 students participated in InnoTech Expo 2022 on 21 December 2022. The Expo enables students to have a deeper understanding of our country's achievements in technological innovation under the National 13th Five-Year Plan and Hong Kong's '25A' scientific research achievements, and thus enhance our students' interest in technology.
