

55th Anniversary Alumni Talk
Sharing on the Profession of Public Administration, Business Sector
(25 May 2023)

To celebrate our school's 55th anniversary, we were honoured to have our distinguished alumnus, Mr. Andy CHAN Shui-fu, a leader from the public administration and business sectors, as our guest in the 55th Anniversary Alumni Talk on 25 May 2023 (Thursday).

Upon graduation from college, Mr. CHAN joined the Government and started his career as an Administrative Officer, serving in different policy bureaux and departments for over two decades. In 2017, he was appointed as Under Secretary for Constitutional and Mainland Affairs. He is currently Director of Public Affairs of NWS Holdings Limited, a member of New World Group, responsible for public affairs. Mr. CHAN spares no effort in engaging in public affairs, continuing with serving and making contribution to our city and our motherland in his capacity as an unofficial member of Guangdong-Hong Kong-Macao Greater Bay Area Task Force led by the Deputy Secretary for Justice. In this role, Mr Chan helps deepen co-operation of legal affairs in the GBA, and facilitate Hong Kong's integration into the overall development of the country.

Mr. CHAN delivered his speech in English, and tackled questions from students in Chinese, encouraging our students to make every endeavour to explore, while being proficient in both languages, and to make the best use of the legendary memory that youth affords, to enrich their knowledge through hard work and learning by rote for the purpose of laying a good foundation for a good life that lies ahead. As a learned leader with insights, Mr. CHAN generously shared his life experiences with our students. They found the sharing truly inspiring, while beneficial.
