

### **First Parents' Day (2021/22)**

(25 February 2022)

The First Parents' Day of our school was successfully held on Friday, 25 February 2022, with parents of all the students participating in the event.

To enhance home-school cooperation and foster the whole-person development of students, our school organizes two Parents' Days annually. On the First Parents' Day, amidst the Covid-19 epidemic, teachers communicated with parents to help them have a better understanding of their child's academic and overall performance via online meetings or phone conversations, aiming at cultivating a promising future for students through home-school cooperation.
