

**Virtual Exchange Programme with Sister School –
High School Affiliated to Zhejiang Normal University**

(25 May 2022)

A virtual exchange session was conducted between S2 and S5 students of our school and our sister school – High School Affiliated to Zhejiang Normal University on 25 May 2022.

The theme of the session was “Understanding Hangzhou Asian Games 2022, Strengthening the Bond of Friendship Between Sister Schools”. Students at both schools shared their views on different aspects of sports including their favourite athletes and sports activities at school; they also discussed the developments of the Asian Games and the sports sector. Moreover, the two schools shared works of calligraphy and painting to express their views on Asian Games.

Through friendly interaction, students at both schools had better understanding of the sports culture of the two territories, hence strengthening the bond between the two schools.
